Old Business:

- Will with Semocor said that the Backflow program should be completed by 5-12-22. In the works. Short staffed so they will get to it when they are able.
- Ed met with Denver Water. They are planning on replacing our master meter soon. Water will need to be turned off for at least 8 hours. No time frame yet. Ed is also meeting with Green Mountain Water to set up a connection so we can hook up to their system to have working hydrants during that time. Still in the works. No new update.
- We need to order new meter lids. The new ones that we got don't fit properly. Dana Kepner is working on this. New lids aren't working but Ed was able to use the old lids. Will we get our money back?
- It was discovered that one of the new houses on 1 South Garland St. poured their driveway over one of our water valves. This needs to be investigated.

New Business:

- Pat was back but will be out again. Ed will have to read meters
- Audit Exemption was accepted by the state ☺

With no further business, Casey Beckett adjourned the meeting at 6:42 pm
